**COMMUNICATION REGARDING THE NOTICE OF ALLOWANCE
AND ISSUE FEE DUE**

Sir:

This is filed in response to the second Notice of Allowance and Issue Fee Due issued in the above-noted application on July 11, 2006. As noted in the Notice issued on July 11, 2006, Applicants have previously paid an issue fee in the application on December 12, 2005, and the filing of Part B of the Notice issued July 11, 2006 will be considered a request to reapply the previously paid issue fee to the issue fee now due.

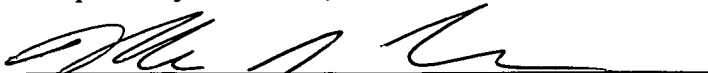

Applicants therefore submit herein Part B of the Notice issued July 11, 2006 and request that the previously paid issue fee be applied to the issue fee now due.

Applicants also note that an amendment under 37 C.F.R. §1.312 was filed December 12, 2005 to change the title of the application from "Farnesyl Dibenzodiazepinone, Processes for its Production *and its Use as a Pharmaceutical*" to "Farnesyl Dibenzodiazepinone, and Processes for its Production." The amendment was made at the Examiner's request in order to bring the title better in line with the allowed claims. The amended title was accepted and entered, but Applicants note that the title listed on the present Notice of Allowance and Issue Fee Due is "Farnesyl Dibenzodiazepinone, Processes for its Production," rather than "Farnesyl Dibenzodiazepinone, *and* Processes for its Production" as set out in the December 12, 2005

amendment. Applicants request that the title be corrected to reflect the title in the December 12, 2005 Rule 312 amendment, as accepted, prior to issue of the patent.

Respectfully submitted,

Date: July 25, 2006
